

ADMINISTRATIVE REPORT

DATE: SEPTEMBER 4, 2015

TO: MAYOR AND CITY COUNCIL
BEN REYES, CITY ATTORNEY

FROM: BELINDA B. ESPINOSA, CITY MANAGER

PLACES TO BE

- SEPTEMBER 8 – CITY'S TRAFFIC COMMITTEE TO MEET TO REVIEW TRAFFIC IMPROVEMENTS FOR NEW HIGH SCHOOL

As part of the reconstruction of Pinole Valley High School the West Contra Costa School District is responsible for both onsite and offsite improvements to mitigate project impacts. The Traffic and Pedestrian Safety Committee has reviewed the project on several occasions and recommended that the following improvements be included in the project:

- An on-campus drop off area, serviced by a three-lane roadway;
- Two on-campus parking lots which provide 57 additional on-campus parking spaces than is currently provided;
- The elimination of 44 on-street parking spaces to enable the re-striping of Pinole Valley Road;
- The re-striping of Pinole Valley Road to provide a center/left turn lane;
- Three new bus turnouts two on the westerly side, and one on the easterly side of Pinole Valley Road;
- An onsite bus parking area adjacent to the athletic field to allow buses (visiting team) to pull off the roadway for sporting events;
- New traffic signals at the new entrance to the High School, at Shea Drive, and at the exit from the new High School at Estrella Court; and
- The realignment of the existing driveway to the library to align with the proposed new entrance to the campus

The West Contra Costa Unified School District has prepared engineering plans for these improvements and meetings have been taking place between District and City Staff to discuss details of the plan and to finalize the remaining design issues. The plans will be presented to the Traffic and Pedestrian Safety Committee and the public on Tuesday evening September 8, 2015 for review and input. If approved on this date, the recommendations will be passed along to the City Council for their consideration when issuing the necessary project approvals.

- **SEPTEMBER 9 – COFFEE WITH A COP**

The next "Coffee with a Cop" event will be held at Starbucks, located at 1540 Fitzgerald Drive on Wednesday, September 9th at 8:00 AM. The Pinole Police Department has initiated this program to provide an opportunity for the community to interact and meet the police officers who are working in their area. This program rotates each month to various locations throughout the city. We hope to see you there!

- **SEPTEMBER 12 - PINOLE AREA SENIOR FOUNDATION ANNUAL TRI TIP DINNER**

Tickets are now on sale for the Pinole Area Senior Foundation's (PASF) Annual Tri Tip Dinner Fundraiser! PASF is a local nonprofit organization and major supporter of the Pinole Senior Center. In addition to supporting programs like Lunch for the Homebound (seniors who are not able to get out on their own) and Friday Bingo, PASF donates thousands of dollars to the Senior Center annually.

This year's Tri Tip Dinner Fundraiser will be held at the Pinole Senior Center on Saturday, September 12 at 5:00 pm. Tickets are \$18 each and can be purchased at the Senior Center's front desk. Kinder's will be providing the meat which will be served with salad, vegetables, bread and dessert. There will also be a no-host bar and great raffle prizes. (See the flyer attached for more details).

- **SEPTEMBER 12 – ANNUAL DUMPSTER DAY**

On Saturday, September 12, 2015, the City of Pinole will be holding our Annual Dumpster Day. The event which will be held from 7:30 AM to 11:30 AM will be located at the southwest corner of Henry Avenue and Pinole Valley Road (across from Kaiser). This event is for Pinole residents only and proof of residency is required. A current California driver's license or identification card as well as your utility bill will suffice. Only one load per household will be allowed and when the dumpsters are full the event will close. (Please see the attached flyer for more information).

- **SEPTEMBER 13 – BARBEQUE FOR THE TROOPS**

On Sunday, September 13, the Pinole Community, the Military Support Corporation and the City are sponsoring a barbeque in honor of our troops. The event will take place in Fernandez Park from 11:00 AM to 3:00 PM (see attached flyer). For more information and to purchase tickets (\$20 each) please call Bob Kopp at (510) 772-0016.

- **SEPTEMBER 19 – COASTAL CLEANUP**

The City of Pinole is pleased to join with the East Bay Regional Park District in the 31st Annual Coastal Clean-up. On Saturday, September 19, 2015 Community Groups and Families will meet at Bayfront Park to remove debris from the San Pablo shoreline and along Pinole creek from I-80 to the Bay. Much of the waste can be hazardous to the function of the watershed and the wildlife that call it home. A few hours of volunteer work picking up trash and debris can beautify our community and put trash and debris in its proper place. (See flyer attached)

- **OCTOBER 2 – PINOLE HISTORICAL SOCIETY BOOK SIGNING & BANK OF PINOLE 100TH ANNIVERSARY CELEBRATION**

The Pinole Historical Society invites the public to celebrate the publication of its new book — ***Pinole Through Time*** — and the 100th anniversary of the historic Bank of Pinole building on Friday, October 2, from 5-8 PM in the Bank of Pinole building. For more information, refer to the flyer at the end of this report.

ITEMS OF INTEREST

NEW THIS WEEK...

- **DEVELOPMENT SERVICES DIRECTOR/CITY ENGINEER SET TO LEAVE PINOLE**

Dean Allison, the City's Development Services Director/City Engineer is leaving the City of Pinole to assume a new position with the City of San Rafael. Dean will become the new Public Works Director/City Engineer for the City of San Rafael and will be leaving the City of Pinole on September 11. Dean has been instrumental in leading the operations and programs of the Public Works, Parks Maintenance, Wastewater, as well as the Building and Planning functions of the City.

Dean provided leadership not only on the local level but also throughout the region. He managed several significant projects over the years since he became Director including the Pinole Creek Demonstration Project, the Pinole Valley Skate Park which is now nearing completion, plans and engineering for the improvements soon to take place at the Wastewater Plant as well as numerous major street rehabilitations such as Appian,

Fitzgerald, Simas and now San Pablo Avenue. He also has played a major role in the development of numerous commercial/mixed use projects throughout the City.

We wish you well Dean Allison and thanks for all of years of public service with the City of Pinole. You are much appreciated and will be missed.

- **NO BART TRAIN SERVICE BETWEEN SAN FRANCISCO & THE EAST BAY
SEPTEMBER 5-7**

There will be no BART train service between San Francisco & the East Bay on September 5, 6 & 7. BART is encouraging travelers to plan ahead, avoid unnecessary transbay travel, or to find alternate means of transportation across the Bay during Labor Day weekend. BART will close the West Oakland Station and will not run trains between West Oakland and Embarcadero stations on September 5, 6, & 7 while repairs to a critical section of track near the Transbay Tube is conducted.

BART will offer lifeline bus service between the 19th Street Station in Oakland and the Temporary Transbay Terminal in San Francisco, but the buses are intended only for those who have no other options. Also, there will be shuttle buses between the West Oakland Station and the 19th Street Station for West Oakland area residents and workers.

Check out our tips for travel during the transbay shutdown and see the attached flyer for more information on the closure and alternate routes. For the most up to date information, visit www.BART.gov.

- **PINOLE POLICE DEPARTMENT HOSTING ITS SECOND MEETING WITH
COALITION WITH LOCAL CLERGY**

The police department will be hosting its second Police/Clergy meeting on September 23rd at 9:00 A.M. Police Chief Neil Gang and Pinole Police Officers are reaching out to local clergy in our community with the goal of improving relationships and building partnerships with the religious leaders in Pinole. The meeting will be held in the Alex Clark Room in the Public Safety Building. We would like to continue the discussion regarding national and local events involving law enforcement and how these events affect our community. We feel it is important to have an ongoing conversation with our local religious leaders so they will gain a better understanding of police operations and policies. In turn the Police Department will learn about their concerns and how we can better work together.

- **PLANS FOR WASTEWATER POLLUTION CONTROL PLANT UPGRADES**

As one of his last official acts, Development Services Director Dean Allison signed the plans and specifications for the Wastewater Pollution Plant Upgrade Project. With this final approval, staff will be prepared to advertise for bids on September 30, 2015. The project schedule is anticipated to proceed as follows:

- Open Bids: December 2015
- Award: February 2016
- Mobilization: March 2016
- 30 month Construction Duration

CONTINUING ITEMS...

- **CITY BEGINS STREET REHABILITATION OF SAN PABLO AVENUE**

Construction will soon be underway to resurface San Pablo Avenue. There are two projects that are planned for reconstruction. Phase One includes San Pablo Avenue from Sunnyview to Pinole Shores and Phase Two consists of San Pablo Avenue from Appian to Sunnyview.

The City will begin Phase One with construction beginning on August 31, 2015 and it is estimated that it will be completed by October 31, 2015. The majority of construction will take place during the day, however, paving, which should take 4-5 days, will be completed in the evening to minimize impacts to businesses.

Construction for Phase One will take place in three steps as follows:

- **Step One** consists of reconstructing damaged portions of the roadways and sidewalk repairs. Construction on this phase will last approximately 2 - 3 weeks. During this phase there will be little to no impact to traffic; San Pablo Avenue will remain open and business owners will have full access to their driveways. There may be some parking restrictions. Construction on Step One will take place during daytime hours.
- **Step Two** construction consists of grinding and removing a thin layer of the asphalt roadway. Construction on this phase will begin in early October and last approximately 3-4 weeks. During this phase there will need to be lane closures along San Pablo Avenue; however there will always be one lane of traffic open in each direction. During this phase access to driveways along San Pablo Avenue

will be interrupted for up to an hour. Step Two construction will take place during the day.

- **Step Three** will consist of placing and rolling hot asphalt. Construction on this phase will begin in late October and last for less than a week. During this phase there will be complete lane closures along San Pablo Avenue. During this phase access to driveways along San Pablo Avenue will be interrupted for up to two hours. Step Three construction will take place during the evening from 9:00 pm to 5:00 am for two evenings.

Phase Two of the San Pablo Avenue Street (Appian to Sunnyview) Rehabilitation is scheduled to begin September 8. We will have more information as we get closer to mobilization by the contractor.

For further information or if you have any questions, please contact Junior Castro at (510) 741-2065.

- **PG & E TO BEGIN PATHWAYS PROJECT**

Pacific Gas and Electric Company (PG&E) is working with customers and the City of Pinole to ensure that first responders and safety crews have immediate access to underground natural gas pipelines in case of an emergency. This important pipeline safety work includes reviewing structures, trees and brush located near the gas pipeline to identify those items that need to be replaced to keep the area safe and clear for first responders. For any tree or structure that needs to be replaced for safety reasons, PG&E will work with the property owner to develop a plan that protects public safety while preserving the character and natural beauty of the community.

For more information on the planned gas safety work in Pinole, residents are encouraged to contact Sarah Wetter, PG&E's local customer outreach specialist, at 1-925-270-2888 or sarah.wetter@pge.com

- **WANTED! - BY THE PINOLE HISTORICAL SOCIETY - PINOLE MEMORABILIA**

The Pinole Historical Society is interested in receiving any historical items, books, photos, tapes, movies or any artifacts regarding Pinole's history so they can copy or reproduce these items for their collection. For more information, refer to the flyer at the end of this report.

- **CITY OF PINOLE YOUTH CENTER AFTER SCHOOL PROGRAM REGISTRATION**

Registration for the City of Pinole's Youth Center "After School Program" for the 2015-2016 school year is officially open. Youth from grades one through eight are eligible to attend the program. The program runs Monday - Friday from School Dismissal until 5 PM each day at the Pinole Youth Center. Extended care is available from 5 PM to 6 PM at an additional rate. The cost of the program is under \$200 per month and transportation from all Pinole Public Schools is included.

Daily Program Schedule:

3:15 PM-4:15 PM	Transportation, Free Time and Snack Assisted Homework Time. Books and worksheets are available to children who have completed or do not have homework.
4:15 PM-5:00 PM	Outdoor activity for all kids in a fun and challenging competitive game, followed by free time in Fernandez Park
5 PM-6 PM	Extended Care. Children are registered in either the Homework Club (complete any school assignments, play Jeopardy, Speedy Speller, and other brainy activities) or in Activity Club (crafts projects, board games, physical activity or other team projects).

All PYC Staff working in recreation are Infant/ Child/ Adult CPR and First Aid certified and put the safety of our kids first, with fun as a close second. For more information please contact (510) 724-9004 or at youth@ci.pinole.ca.us .

The Youth Center is located at 635 Tennent Avenue in Pinole.

- **HAUNTED HOUSE COMMITTEE VOLUNTEER MEMBERS NEEDED**

The City of Pinole is looking for volunteers to come together to develop, plan and execute the Haunted House for Halloween 2015. You will have access to our facilities and some supplies. We just need members of the public to make it happen! Can we count on you as a volunteer for this event? Students needing community service hours are encouraged to make this one of their projects. All children age 18 or under must be supervised by a parent or other responsible adult.

Meetings are held each Wednesday from 5:00 - 6:00 PM at the Pinole Youth Center, 635 Tennent Ave. For more information, contact 510-724-9004 or youth@ci.pinole.ca.us.

- **RECRUITING FOR VACANCIES ON CITY BOARDS & COMMISSIONS**

Consider volunteering for our community by serving on a City board or commission. The City is recruiting to fill vacancies on the following boards and will remain open until filled:

- Community Services Commission
- Traffic and Pedestrian Safety Commission
- Pinole delegate to the Contra Costa Council on Aging

Applications & supplemental questionnaires are available at Pinole City Hall and the City board applications may also be downloaded from the City website at <http://www.ci.pinole.ca.us/admin/forms.html>.

For more information, you are encouraged to contact the City Clerk's office at 510-724-8928 or email pathenour@ci.pinole.ca.us. Completed applications are accepted at the City Clerk's Office, 2131 Pear Street, Pinole 94564.

- **JUST A REMINDER- EBMUD WATER USE RESTRICTIONS EFFECTIVE NOW**

The East Bay Municipal Utility District (EBMUD) reminds us all that there are water restrictions that are required by an Executive Order (see flyer) from Governor Brown.

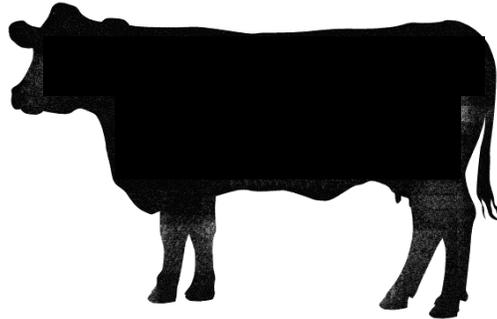

The order calls for a 20% reduction of water use. Outdoor irrigation is prohibited from 9:00 AM to 6:00 PM. Other elements include:

- Limit watering of outdoor landscapes to two non consecutive days per week;
- Prevent Overspray and runoff when watering;
- Use a hose with a shut-off valve when hand washing motor vehicles;
- Use a broom or air blower, not water to clean driveways, sidewalks, patios and other hard surfaces; and
- Turn off any fountain or decorative water features that use potable water unless it is recyclable.

For more information, contact EBMUD at (866) 403-2683.

NO BART SERVICE

BETWEEN OAKLAND & SAN FRANCISCO

September 5, 6 & 7, 2015 (Labor Day Weekend)
Visit **bart.gov** for the most up-to-date info.

Dear Customer,

There will be no transbay BART train service between West Oakland and Embarcadero stations on the weekend of September 5-7 (Labor Day Weekend) while BART maintenance crews perform vital repairs to improve track safety.

- **Please avoid taking BART and use alternative routes for transbay trips during these weekends.** Dial 511 or visit **www.511.org** for alternative transportation.
- **If BART is your only means to cross the Bay, BART will provide a limited bus bridge at no additional charge (details on reverse side).**
- West Oakland BART Station will be closed.
- BART will provide normal service in the East Bay, throughout San Francisco and on the Peninsula.
- This is part of the transit system's Building a Better BART program. When the work is completed, BART customers will experience a faster, safer and quieter ride.

Building a Better BART is the plan to repair and replace your 42-year-old train system's deteriorating tracks, speed control equipment and other aging infrastructure in order to maintain BART's excellent safety record, increase train reliability, reduce traffic and protect our environment by keeping hundreds of thousands of cars off the road in the decades to come. To learn more, visit **www.bart.gov/betterBART**.

BUS BRIDGE

BETWEEN OAKLAND & SAN FRANCISCO

September 5, 6 & 7, 2015 (Labor Day Weekend)

Visit bart.gov for the most up-to-date info.

Modified BART Service During Transbay Tube Closure

BART will provide a limited bus bridge at no additional charge. Customers using the bus bridge should add 30–60 minutes to a normal trip. You can board the bus bridge in Oakland at the 19th Street Station or in San Francisco at the Transbay Terminal.

If you need language assistance services, please call BART's Transit Information Center at (510) 465-2278.

如需語言援助服務，請致電 BART 公共交通資訊中心，電話號碼為 (510) 465-2278。

통역이 필요하시면, BART 수송 정보 센터 (510) 465-2278로 전화해 주십시오.

Si necesita servicios de asistencia de idioma, llame al centro de información de tránsito del BART al (510) 465-2278.

SECTION 28

WATER USE DURING WATER SHORTAGE EMERGENCY CONDITION

Drought conditions require that all customers reduce their use of EBMUD water supplies until further notice to ensure availability of the public water supply for critical uses. This regulation specifies the water uses that are prohibited during the drought and provides guidelines on effective water use practices to help customers conserve. It also defines the exceptions and enforcement provisions should customers fail to comply with the prohibitions.

A. EMERGENCY REGULATIONS AND RESTRICTIONS ON WATER USE

During the water shortage emergency condition declared by the Board of Directors, all customers must comply with prohibitions on water uses described below to conserve the public water supply to meet critical needs. In addition, customers are asked to follow the water saving guidelines below.

1. Potable Water Uses Prohibited During the Water Shortage Emergency

- a. Using potable water for decorative ponds, fountains and other water features that do not recirculate water is prohibited.
- b. Washing cars, boats, trailers, aircraft or other vehicles with potable water by hose without a shutoff nozzle is prohibited.
- c. Washing sidewalks, driveways or hard surfaces with potable water, or applying potable water to any surface or material that results in excessive use and runoff is prohibited.
- d. The application of potable water to outdoor landscapes in a manner that causes runoff such that water flows onto adjacent property, non-irrigated areas, private and public walkways, roadways, parking lots, or structures is prohibited.
- e. Irrigating turf and ornamental landscape is only permitted no more than two days each week, not on consecutive days, and before 9 a.m. and after 6 p.m., except for potted plants.
- f. Irrigating turf and ornamental landscaping with potable water during and within 48 hours following measurable precipitation is prohibited.
- g. Using potable water for irrigating ornamental turf on public street medians is prohibited.
- h. Flushing sewers or hydrants with potable water are prohibited, except in cases of emergency and for essential operations.
- i. Use of potable water for construction, street cleaning, soil compaction and dust control is prohibited if a feasible alternative source of water is available. All water use for construction, soil compaction and dust control will require a permit issued by EBMUD.

- j. The serving of drinking water other than upon request in eating or drinking establishments, including but not limited to restaurants, hotels, cafes, cafeterias, bars, or other public places where food or drink are served and/or purchased is prohibited.
- k. Operators of hotels and motels are required to offer patrons the option of not having their towels and linens washed daily. The hotel or motel shall prominently display notice of this option in each guestroom using clear and easily understood language.
- l. Use of hydrant water outside the EBMUD service area is prohibited.

2. Water Savings Guidelines

- a. Conserve water indoors. Efficient indoor water use is 45 gallons and super-efficient indoor use is 35 gallons per person daily. Most customers can achieve this by shortening showers and using less bath water, running only full loads of laundry and dishes, and keeping a close eye on faucet use. Additionally, customers are encouraged to reduce use of kitchen garbage disposals through composting or curbside green waste collection and not to use toilets as wastebaskets. Customers also may want to consider upgrading to more water-efficient plumbing fixtures and appliances.
- b. Promptly repair leaks indoors and outside. Measureable leaks should not be turned on until repairs have been completed.
- c. Use covers on swimming pools and home spas (hot tubs) and avoid draining, refilling and topping off.
- d. Encourage gyms, spas and similar facilities to ask patrons to conserve water while showering and using wash basins.
- e. Encourage all food preparation establishments, such as restaurants and cafeterias, to install and use high-efficiency pre-rinse spray nozzles in their kitchens.
- f. Irrigate less outdoors. Most customers can cut outdoor watering 30% without affecting long-term plant health by irrigating before dawn or at dusk, no more than two days per week.

B. EXCEPTIONS

1. Written applications for exceptions from the regulations and restrictions on water use set forth in this Section shall be accepted, and may be granted, by the Customer & Community Services Department.
2. Grounds for granting such applications are:
 - a. Failure to do so would cause an unnecessary and undue hardship to the applicant, including, but not limited to, adverse economic impacts, such as loss of production or jobs; or

b. Failure to do so would cause a condition affecting the health, sanitation, fire protection or safety of the applicant or the public.

3. Denials of applications may be appealed as set forth in subdivision D, below.

C. ENFORCEMENT

1. The District may, after one written warning, order that a special meter reading or readings be made in order to ascertain whether wasteful use of water is occurring. Charges for such a meter reading or readings or for follow-up visits by District staff are fixed by the Board from time to time and shall be paid by the customer.
2. In the event that the District observes that apparent excessive water use is occurring at a customer's premises, the Manager of Customer and Community Services may, after a written warning to the customer, authorize installation of a flow-restricting device on the service line for any customer observed by District staff to be willfully violating any of the regulations and restrictions on water use set forth in this section. Charges for installation of flow-restricting devices may be fixed by the Board from time to time and shall be paid by the customer.
3. In the event that a further willful violation is observed by District staff, the District may discontinue service. Charges for restoring service may be fixed by the Board from time to time and shall be paid by the customer.
4. The District may immediately revoke a permit to use water from an EBMUD hydrant when water is observed being used in violation of the emergency regulations or restrictions on water use.

D. APPEALS

Consideration of written applications for appeals regarding exceptions from the regulations and restrictions on water use set forth in this Section, and regarding application of the enforcement actions set forth in subdivision C, above, shall be as follows:

1. Written applications for appeals shall be accepted, and may be granted, by the Customer & Community Services Department.
2. Denials of applications may be appealed in writing to the Manager of Customer and Community Services.

Pinole Youth Center '15-16

AFTER SCHOOL PROGRAM

Elementary age and middle school youth will enjoy the safe, supervised, and fun After School Programs at the Pinole Youth Center. We provide homework help, arts, sports, cooking, computer access, games, workshops, and youth leadership. Transportation from Pinole public schools is provided by Youth Center staff in City vehicles, at no additional cost. Car seats will be used in accordance with state law.
