- **2016 RELAY FOR LIFE**

The 2016 Relay For Life of El Sobrante Pinole would like to invite the community to participate in this year's event at Collins Elementary School. Relay For Life events bring communities together from across the globe to honor cancer survivors, remember loved ones lost, and fight back against a disease that has already taken too much. The funds raised truly make a difference in the fight against cancer.

Events are up to 24 hours long, and because cancer never sleeps, each team is asked to have at least one participant on the track at all times. This year's events will be held at:

***Collins Elementary School  
Saturday, August 6, 2016  
9 a.m. to 9 a.m.***

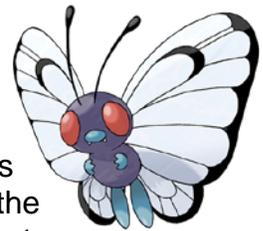

## ITEMS OF INTEREST

- **I-80 CORRIDOR MOBILITY PROJECT GOES LIVE**

Starting July 19<sup>th</sup>, metering lights in both directions of I-80 were activated to rest on solid green from 5:00 am to 8:00 pm for one week. The lights will begin metering on July 26<sup>th</sup> during the weekday morning commute hours of 5:00 am to 12:00 pm. Subsequently, metering lights will remain solid green in both directions of I-80 for another week during the afternoon weekday commute hours of 12:00 pm to 8:00 pm until the afternoon peak period begins on August 2<sup>nd</sup>. Meters will also be operating on weekends, starting July 30<sup>th</sup>, depending on prevailing traffic conditions. See the attached flyer for more information.

- **DISTRACTED DRIVING ALERT**

Cell phone distraction has reached an all time high. The new Pokemon Go craze has spread to Pinole! It is a game that has players hunting the streets and landmarks of Pinole as well as everywhere else for virtual pocket monsters. Often players are completely distracted as to what is happening around them as they focus on their cell phone and the virtual pocket monster therein, aka Pokemon. Please, everyone stay alert to your surroundings. Drivers watch for distracted pedestrians, and pedestrians watch for distracted drivers. Better yet, when using the city streets and sidewalks, don't be distracted!

- **IAFF LOCAL 1230 PERB CHARGE SETTLEMENT EXECUTED**

The City and IAFF Local 1230 have reached a Settlement Agreement on the last outstanding PERB charge, which has now been dismissed. This brings all of the PERB matters from 2011 to conclusion. The City and Local 1230's representatives and membership jointly look forward to moving ahead in a positive working collaborative, for the best interests of the organization and our community. A copy of the Settlement Agreement is available on the City's website at the following link: <http://www.ci.pinole.ca.us/personnel/mou.html>

- **PINOLE CINEMA AND SUMMER SOUNDS IN THE PARK RETURN**

Summer fun returns to Pinole with two (2) concerts and three (3) movies in the park. Bring a picnic dinner, friends and family and be ready to have a great time. All events will take place in Fernandez Park, located at 595 Tennent Avenue, Pinole CA.

The Pinole Youth Center will have concessions available for purchase, or you can grab a tasty treat from one of the local restaurants. The remaining schedule is below:

SUMMER SOUNDS (6:30-8:00PM)	PINOLE CINEMA (MOVIES BEGIN AT SUNDOWN)
Margie Turner & The Outback Blues Band American Blues—July 28	Captain America—July 30
	The Good Dinosaur—August 6
	Breakfast at Tiffany's—August 13

For additional information, contact Rochelle at 510-724-9062 or [Recreation@ci.pinole.ca.us](mailto:Recreation@ci.pinole.ca.us).

- **COMMUNITY PLAYHOUSE PRODUCTION – LEGALLY BLONDE**

The Teen/College Company are producing the Broadway musical *Legally Blonde*.

**Performances:**

Friday, July 22<sup>nd</sup> at 8:00 p.m.  
Saturday, July 23<sup>rd</sup> at 2:00 p.m. and 8:00 p.m.  
Sunday, July 24<sup>th</sup> at 2:00 p.m.

Interested parties can call (510) 724-9844 with any questions.

- **NEW FORMAT FOR NATIONAL NIGHT OUT – AUGUST 2<sup>ND</sup>**

The Pinole Police Department will be changing its National Night Out format this year to coincide with the National Night Out mission of bringing neighborhoods together. Instead of having a police caravan travel to several, separate events throughout the City, we will have **ONE EVENT** at **ONE LOCATION**. The goal of this new format is to build friendships and partnerships with the City's neighborhoods and create a more sense of overall community.

Another added benefit to this new format will be our ability to address the other mission of National Night Out, which is to increase the public's awareness of police programs and resources. So bring your food, invite your friends and come join us at Fernandez Park on August 2<sup>nd</sup>, where we can celebrate together as one community. Please see the attached flyer for more information.

- **ADVISORY BOARDS VACANCIES**

Staff will be inviting application for vacancies on various City approved Advisory Boards. Currently, there are three (3) vacancies for the Community Services Commission, one (1) vacancy on the Traffic and Pedestrian Safety Committee (TAPS), and a vacancy for a representative and alternate for the Contra Costa Library Commission.

Notices of vacancies are posted on the City's Website, Cable services, and in the City Hall lobby. If you aware of any citizens who are interested in serving their community as a Board member please have them apply at City Hall.

- **ASSEMBLYMEMBER TONY THURMOND OFFICE HOURS**

Assembly 15<sup>th</sup> District Representative Tony Thurmond will be available to meet with constituents from 12:30 pm to 4:30 pm between June 22<sup>nd</sup> and October 26<sup>th</sup>. Please call (510) 286-1400 to set up an appointment. See attached flyer for more information.

- **NEW METAL BUILDING AT 651 PINOLE SHORES DR**

Now we have a floor! Steady but slow progress in being made on the new shop space for the Road Maintenance crew who will be displaced from the Pinole Hercules Water Pollution Control Plant very soon, as construction there results in the demolition of their existing metal shop space.

- **WATER POLLUTION CONTROL PLANT PROJECT UPDATE**

Construction continues to progress; during the construction period, the Plant will be closed to the public for safety reasons.

A. Contractor jobsite trailers in place in Bayfront Park.

B. Area preparation for new headworks.

-END-

## Pinole Relay for Life Team:

The Relay for Life event is only 16 days away. Below is a map of where the DUI Mobile Command Post will be located which will be Pinole's team's base camp for the event. We encourage everyone to come out and walk even if for a little while to help raise awareness and to join our team for this worthy cause. Click on the link below to be directed to the Pinole Police Department team to join and donate. ## TRAFFIC ADVISORY

**Date:** July 15, 2016  
**District:** 4 - Oakland  
**Contact:** Shannon Brinias  
**Phone:** (510) 286-5543

### FOR IMMEDIATE RELEASE

#### Caltrans to Activate Ramp Meters on Interstate 80

**Contra Costa County / Alameda County, Calif.** – The California Department of Transportation (Caltrans) in partnership with Alameda County Transportation Commission and Contra Costa County Transportation Authority will activate 43 ramp meters on the Interstate 80 (I-80) in Alameda and Contra Costa Counties.

Starting on July 19, metering lights in both directions of I-80 will be activated to rest on solid green from 5:00 a.m. to 8:00 p.m. for one week. The lights will begin metering on July 26 during the weekday morning commute hours of 5:00 a.m. to 12:00 Noon. Subsequently, metering lights will remain solid green in both directions of I-80 for another week during the afternoon weekday commute hours of 12:00 Noon to 8:00 p.m. until the afternoon peak period begins on August 2. Meters will also be operating on weekend, starting July 30, depending on prevailing traffic conditions.

It is common for newly activated ramp-meter locations to experience delays during the first few days. Caltrans will monitor the metered onramps and make adjustments to fine-tune the metering operations. A telephone hot line number, 510-286-4531, is available to help answer any questions or report any related issues.

The ramp meters on I-80 are connected to an intelligent adaptive system that will actively monitor traffic conditions throughout the corridor and optimize the ramp meters in real-time. It will be the first implementation of this technologically advanced strategy in the San Francisco Bay Area.

Adaptive ramp metering is a key element of the I-80 SMART Corridor system. This project is an Intelligent Transportation System designed to enhance mobility and safety the I-80 Corridor. Other innovative elements such as active traffic management using lane use and variable advisory speed signs will be introduced to the corridor incrementally in the coming weeks to

## TRAFFIC ADVISORY

allow motorists to become accustomed to the changes. The I-80 SMART Corridor system is anticipated to be fully operational by September 2016.

More information can be found at <http://www.80smartcorridor.org> or at <http://www.511.org>.

Get real-time traffic on Caltrans Quickmaps: <http://quickmap.dot.ca.gov/> Or follow Caltrans on Twitter: <http://twitter.com/CaltransD4>. Caltrans appreciates your patience as we work to maintain California's highways. Please #BeWorkZoneAlert.
