ITEMS OF INTEREST

- **SPROUTS GRAND OPENING**

Here are some photos of the Sprouts grand opening that occurred on December 28th. We're excited to have them join our community. If you haven't already, stop by and check out the store.

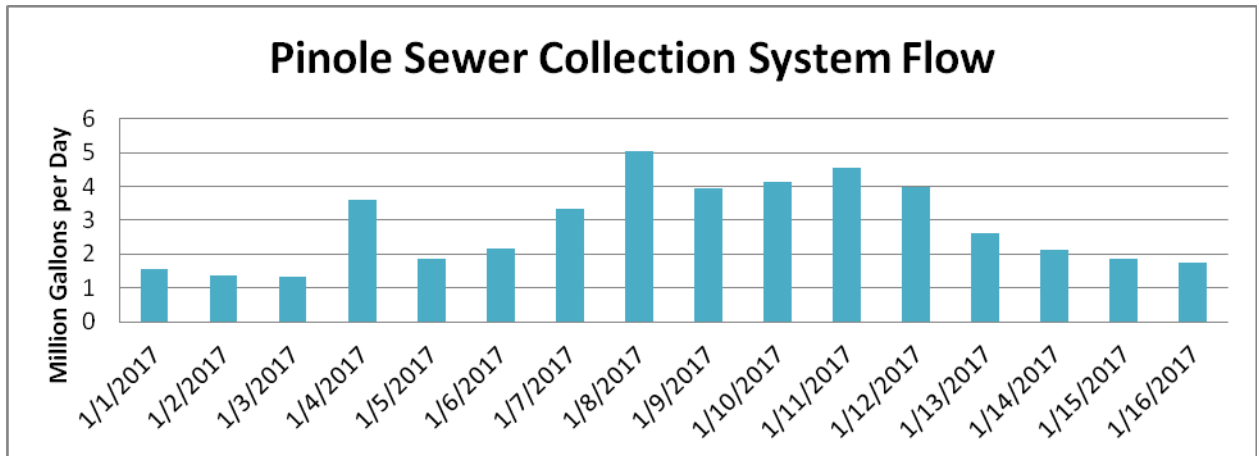

- **SOLAR ENERGY**

According to Enphase Energy software, the City of Pinole Youth Center generated 1.58 MWh of energy in December! This power provides a carbon offset of 1.09 tons or the equivalent of 28 Trees.

- **SEWER COLLECTION SYSTEM WORKING DOUBLE TIME**

The City of Pinole sewer collection system conveys heavy flows to the Pinole Hercules Water Pollution Control Plant during rain events. The chart below shows the influence of storms on the collection system. And the Plant is working this hard while under construction!
