

Memorandum

TO: Steering Committee Members

FROM: Winston Rhodes, AICP, Planning Manager

SUBJECT: General Plan Update and Specific Plan Consolidated Comments

DATE: March 8, 2010

Attached is a copy of the consolidated General Plan Update and Specific Plan comments forwarded to Pacific Municipal Consultants Inc. (PMC) on February 23, 2010. The consolidated comments are a summary of the Steering Committee direction received on the draft information discussed last year and earlier this year. The bracketed text in italics is direction provided based on Steering Committee discussion. Please review the attached summary information to help ensure that major issues have been adequately noted. This consolidated feedback as well as notes taken by PMC and staff during the review of draft information will be utilized to modify the draft documents and prepare the accompanying Draft Environmental Impact Report (DEIR).

The Steering Committee will be forwarded copies of the modified public draft documents (General Plan Update and Three Corridor Specific Plan) in conjunction with a DEIR and will have the opportunity to recommend further edits to the documents prior to recommending action to the City Council later this year.
