CITY OF PINOLE TRAFFIC AND PEDESTRIAN SAFETY COMMITTEE

January 18, 2017

TO: TRAFFIC AND PEDESTRIAN SAFETY COMMITTEE
FROM: TAMARA MILLER; DIRECTOR OF DEVELOPMENT SERVICES
SUBJECT: RED CURB REQUEST

RECOMMENDATIONS

Review and comment on request for red curb on Walters Avenue from Westcat.

BACKGROUND

Westcat has requested that the City of Pinole paint the curb red on Walters Avenue at the intersection with San Pablo Avenue. Westcat feels that the red curb will increase the safety and ease of the buses entering and exiting Walters Avenue. It is the condition where a bus is exiting from Walters to San Pablo Avenue simultaneously with a bus entering Walters Avenue from San Pablo Avenue that a bottleneck occurs. This bottleneck prompts one of the two busses to wait for the other to complete its maneuver prior to the other bus initiating or completing its maneuver. The exhibits provided show the existing condition and the addition of the requested red curb.
