**DRAFT SPECIFIC PLAN FOR THREE CORRIDORS AND EIR TO BE DISCUSSED AT  
FEBRUARY 23 STEERING COMMITTEE MEETING**

PINOLE, CA – Pinole residents are encouraged to attend the upcoming Steering Committee meeting on February 23 to discuss the Draft Specific Plan for San Pablo Avenue, Appian Way and Pinole Valley Road. The meeting will be held at Pinole City Hall at 7:00 p.m.

This meeting provides a unique opportunity for the Steering Committee to discuss the Specific Plan and for the public to give their input.

During this meeting, the City will also hold a scoping session on the preparation of the Environmental Impact Report (EIR) that will be prepared for the General Plan Update, the Specific Plan and the Zoning Ordinance. This is the first of many opportunities for the public and agencies to voice any issues or concerns they have regarding what may need to be addressed in the EIR.

Participation in this meeting is a significant opportunity for residents to express their opinions and contribute feedback that will be helpful in shaping Pinole's future.

The next Steering Committee meeting will take place on March 9.
