- (2) The terms and conditions of this Agreement, insofar as it affects the Individual Employer, shall, as specified below, be applied to any subcontractor of any tier under the control of, or working under oral or written contract with such Individual Employer on any work covered by this Agreement to be performed at the jobsite or job-yard, and said subcontractor with respect to such work shall be considered an Individual Employer covered by this Agreement.
- (a) The Individual Employer has the primary obligation for performance of all conditions of this Agreement. This obligation cannot be relieved, evaded or diminished by subcontracting. Said primary obligation shall be deemed conclusive evidence of the Union's majority status for the purpose of establishing the obligation of the Individual Employer to bargain collectively pursuant to Section 8(a)(5) of the National Labor Relations Act as amended with the Union upon expiration of this Agreement but for no other statute, rule, regulation or law.

and shall specify the name and address of the subcontractor. Notice at a pre job conference as set forth in Section 7H shall be written notice under this provision provided that such notice is accurate and complete.

- (a) If thereafter the Union or an appropriate Local Union thereof should make demand in writing for exercise of this Section 1C(5)(a), the Individual Employer will require that any subcontractor of the Individual Employer specified in the demand will, if he has not already done so, post a surety bond in the amount of fifteen thousand dollars (\$15,000) to cover payment of wages and contributions to the Trust Funds specified in this Agreement in Section 8A, B, C, D, and E. Failure of the Individual Employer to comply with Section 1C(5)(a) will make the Individual Employer liable for the delinquencies of the subcontractor in conformance with Section 1C(5)(b) following.

- (6) If the Individual Employer fails to give written notice as required in Paragraph (5) above he shall, until such time as notice is given, assume liability for any violation by the subcontractor of the terms and conditions of this Agreement as may be determined pursuant to the provisions of Section 5 provided, however, these provisions notwithstanding the Individual Employer shall not be liable for contract violations other than those set forth in Paragraph (5)(b) by the subcontractor if such subcontractor is signatory to an agreement with the Union.
 - (7) Regardless of anything in this Section 1C to the contrary, if any Local Union having knowledge of the delinquency continues to dispatch men to any subcontractor of an Individual Employer when such subcontractor is delinquent in the payment of any wages or fringes and the subcontractor has failed to post a surety bond required in Section 1C(5) (a), then the Individual Employer shall not be liable for any such delinquencies.
 - (8) If any Employee covered by this Agreement knowingly cooperates with any Individual Employer to defeat the payment of wages and fringe benefits as required by this Agreement, said Employee will be liable for such penalties as may be determined by the Board of Adjustment as outlined in Section 5.
 - (9) It is the intent of the parties hereto that the provisions of this subcontracting clause be applied only to the extent permitted by law.
 - (10) Notwithstanding any provision of this Agreement to the contrary, the provisions of this subcontracting clause shall not be enforced by strike or job action.

- (11) The above provisions notwithstanding, in the event an Individual Employer subcontracts work covered by this Agreement to a subcontractor who is not signatory to this Agreement or an appropriate agreement with the Union, the Individual Employer shall assume an additional responsibility as follows:

If the subcontractor shall be found in violation of the Hiring provisions of this Agreement, pursuant to Section 5 and the Union is unable to collect the liability determined to be owing for such violation from the subcontractor, the Individual Employer shall then become liable for the payment of such liability. The total of this liability shall be for no more than five (5) days' violation or the total of the subcontractor's retention, whichever is greater.

D. Trust Fund Delinquencies

Copies of this notice shall also be sent to the Union in addition to the Individual Employer.

Such delinquent Individual Employer shall reply in writing to the Trustees of the applicable Trusts (in care of the Trust Administrator) within ten calendar (10) days of the receipt of such notice with the reasons why a Surety Bond equal to a monetary sum of two (2.0x) times the amount of the then outstanding total trust funds delinquencies should not be required of the Individual Employer as a condition of the terms of this Agreement. Upon review, at the sole discretion of the Trustees of the applicable Trusts, the Trustees may require a Surety Bond be posted by the delinquent Individual Employer. This posted Surety Bond is not in any way to be construed as in lieu of any then current delinquencies payments required under this Agreement at the time of the requirement to post such bond. Its purpose is solely to ensure to the payments of any future delinquencies which may be accrued by the respective Individual Employer and the actions of the Trustees shall not be subject the grievance procedures in this Agreement.

All such bonds shall be deposited with the Administrator and shall be in a form acceptable by the Administrator of the various Trusts, and provided in a timely period as determined by the Trustees of the applicable Trusts.

If the Surety Bond is drawn upon to make any future fringe payments required under Section 8, the monies shall be pro-rated among the amounts owed by such Individual Employer, with the first priority to the Vacation-Holiday-Dues Supplement Trust Fund and the balance dispersed equally to the Health & Welfare, Pension/Annuity and Training Apprenticeship Trusts.

If a delinquent Individual Employer fails to respond either to the: (1) required written response or; (2) to the demand for a Bond as determined by the Trustees in the required timely period, the Local Union after receiving written notice from the Board of Trustees of this continuing delinquency shall not be required to dispatch employees and further economic action by the Union to obtain compliance of this Section will not be a violation of Section 4 (No Cessation of Work) of this Agreement.

Any employees so withdrawn or refusing to perform any work for the Individual Employer as herein provided, shall not lose their status as employees, but no such employee shall be

entitled to claim or receive any wages or other compensation for any period during which he/she has been so withdrawn or refused to perform any work for the Individual Employer.

Whenever any Individual Employer covered by the Agreement is delinquent with respect to the payment of any contributions or other sum of money due to any Trust Fund specified in this Agreement, the Union may withdraw workers and place appropriate pickets at the premises of the Individual Employer or places where said Individual Employer is performing work.

By reason of such facts, the Union hereby recognizes that the Collective Bargaining Representative of the Employer, as herein above referred to, is the Collective Bargaining Representative for all Individual Employers who authorize the Employer to represent them with respect to Collective Bargaining with the District Council of Plasterers' and Cement Masons' of Northern California. It is mutually understood and agreed that during the period when this Agreement is in force and effect, the Union or Local Union will not authorize any strike, slowdown or stoppage of work in any dispute, complaint or grievance arising under the terms and conditions of this Agreement, except such disputes, complaints or grievances as arise out of the failure of any Employer and Individual Employer to comply with the provisions of the hiring clause, Section 3B hereof, or the provisions of Section 8A, B, C, D, or E. As to any Individual Employer who shall fail or refuse to comply with the provisions of those sections, so long as such failure or refusal continues, it shall be a violation of this Agreement if the Union or any Local Union withdraws its members who are subject hereto from the performance of any work for such Individual Employer and such withdrawal for such period shall not be a strike or work stoppage within the terms of this Agreement. In the event that any Employees of any Individual Employer should be withdrawn by reason of any dispute, complaint or grievance arising out of the violation of any similar hiring clause in any agreement between Employer and any other union, the Union or any Local Union may respect such withdrawal and for the period thereof may refuse to perform any work for such Individual Employer and such refusal shall not be a violation of this Agreement.

In the event the Board of Trustees of a Fund into which the Individual Employer is required to pay determines that an Individual Employer is delinquent in the making of any payments required by Section 3B, C, or E, thereof, it shall not be in violation of this Agreement so long as such delinquency continues, if the Union withdraws the Employees who are subject hereto from the performance of any work for such Individual Employer and such withdrawal for such period shall not be a strike or work stoppage within the terms of this Agreement. In the event that any Employee of an Individual Employer should be withdrawn pursuant to any similar clause in any agreement between the Collective Bargaining Representative of the Employer and any other union, the Union may respect such withdrawal and for the period thereof may refuse to perform any work for such Individual Employer and such refusal for such period shall not be a violation of this Agreement. Any Employee so withdrawn or refusing to perform any work as herein provided shall not lose his status as Employee but no such Employee shall be entitled to claim or receive any wages or other compensation for any period during which he has been withdrawn or refused to perform any work.

- (A) No Employee covered hereby may be discharged by any Individual Employer for refusing to cross a picket line established by an International Union affiliated with the Building and Construction Trades Department of the AFL-CIO or a Local Union thereof, or the

International Brotherhood of Teamsters, Chauffeurs, Warehousemen and Helpers of America or a Local Union thereof, which picket line has been authorized or sanctioned by the Local Building and Construction Trades Council having jurisdiction over the area in which the job is located, after the Individual Employer involved has been notified and has had an opportunity to be heard. Said notice shall be in writing and mailed to the Individual Employer involved at his address. This Section shall not apply to jurisdictional disputes.

Section 5 Grievance Procedure

Any dispute concerning any application or interpretations of this Agreement, other than jurisdictional disputes as referenced in Section 6, shall be subject to the following procedure:

- A. In the event that a dispute arises on a job, it shall be first reported to the Individual Employer or in the case of a grievance of an Individual Employer to the Business Agent of the appropriate Local Union (or District Council) who shall then attempt to adjust said grievance or dispute at the job site level.
- B. If said grievance or dispute is not satisfactorily adjusted by the appropriate Local Union (or District Council) or otherwise authorized Union Representative and the Individual Employer or his representative within three (3) days after submission to the Individual Employer, the matter may be submitted by either party to a permanent Board of Adjustment created for the settlement of such disputes by the Cement Masons Contract Administration Trust Fund.
- C. The grieving parties shall specify in writing on a standard Trust Fund grievance form the date(s) of the alleged violation(s), the nature of the alleged violation(s), and the specific provision(s) of the Agreement applicable to the dispute. A dispute shall not be recognized as a grievance nor be subject to the grievance procedure, provided said dispute is outside the scope of the Agreement. No dispute, complaint or grievance, shall be recognized unless called to the attention of the Employer and the Union in writing within ten (10) calendar days (with exception of holidays) after the last date the alleged violation was committed.

In the event the grievance involves the issue of a subcontractor violation where the subcontractor is signatory directly to this Agreement as an Individual Employer, a separate grievance shall be filed against said subcontractor and said grievance shall be processed to its final conclusion through these procedures prior to any grievance hearing against the prime contractor.

- D. The Board of Adjustment shall be composed of two (2) members named by the Union, two (2) members named by the Employer, and an Impartial Arbitrator. At any point in the proceedings should the panel be unable to reach a majority vote, the Arbitrator shall participate and his decision shall be final and binding.
- E. In addition to any rule or procedure which the Cement Masons Contract Administration Trust Fund may adopt, the Board of Adjustment shall be governed by the following provisions:
 - (1) The parties shall select and utilize a permanent Impartial Arbitrator who is willing to abide by the procedures set forth herein. However, the Impartial Arbitrator may be changed or replaced at the request of either party.
 - (2) Neither side will utilize attorneys in these Boards of Adjustment proceedings unless advance written notice of a minimum of ten (10) working days is provided to the Employer and the Union, in which case both sides shall have that right.

- (3) No briefs shall be submitted nor a transcript made of the hearing except by mutual agreement of the parties or by direction of the Arbitrator.
 - (4) In the case of a deadlock, the Arbitrator shall render his decision upon the conclusion of the case at the Board of Adjustment hearing, unless the time is extended by mutual agreement of the parties or at the request of the Arbitrator. The Arbitrator shall not render an expanded opinion in any case unless requested by the parties.
- F. The Board of Adjustment shall meet within thirty (30) days following written submission of the grievance to the Cement Masons Contract Administration Trust with the exception of discharge cases which must be heard at the earliest possible date not to exceed fifteen (15) days. Failure of either party to meet or to participate in the procedure shall relieve the charging party of further compliance with the grievance procedure.
- G. In discharge cases if the Board of Adjustment fails to meet within fifteen (15) days due to the unavailability of the Union, the wage payment and Trust Fund contribution liability shall be limited to the above fifteen (15) days. If the Employer or Individual Employer is unavailable to meet, the wage payment and Trust Fund contribution liability shall be continuing until such time as the Board of Adjustment meets. Decisions of the Board of Adjustment or an Impartial Arbitrator shall be within the scope and terms of this Agreement and shall be final and binding upon all parties hereto.
- H. In the event an Individual Employer fails to comply with any such decisions, the Union may withdraw Employees or strike the Individual Employer, and such action shall not be a violation of this Agreement.
- I. The Board of Adjustment shall settle any dispute or grievance involving a subcontractor as defined in Section 1C who has agreed under contract with the Employer, or any Individual Employer, or a subcontractor of the Employer, or any Individual Employer to perform on the job site any part or portion of the construction work covered by the prime contract, including the operation of equipment, performance of labor and installation of materials.
- When liabilities are assessed against a subcontractor for hiring violations as a result of a Board of Adjustment held under the provisions of Paragraph I and said subcontractor fails to satisfy said obligations, the Union shall promptly give written notice to the Individual Employer and subcontractor and the Individual Employer shall pay such obligations from the retention of such subcontractor.
- J. The expenses of the Joint Board of Adjustment and the Impartial Arbitrator shall be paid for by the Cement Masons Administration Trust Fund. Any additional expenses resulting from the use of attorneys such as court reporters, transcripts, etc., shall be borne equally by the Individual Employer and the Union.

Section 5(A) Contract Administration Fund

A Trust Fund entitled "The Contract Administration Trust Fund" shall be created to provide for the costs of the Employer for administering the provisions of this Section 5. The contribution into a Contract Administration Trust Fund shall not exceed eight cents (\$.08) per hour for each hour paid for or worked. The Trust Fund shall be administered solely by Trustees selected by the Employer in accordance with a Trust Agreement to be executed by the Employer. The contribution as described above shall commence with the work month following notice by the Fund Manager of the Trust to the

Individual Employers. The Union shall have the right, not more than one time per year, to independently audit the Trust Fund.

All grievances involving Individual Employers who are not members of the AGC of California, Inc. shall be processed through the grievance procedure established in Section 5 of the Agreement provided that the right of an Individual Employer not a member of the AGC of California, Inc. may participate on his or its own behalf at the Board of Adjustment and that the final decision shall be made by the permanent Arbitrator if the panel cannot attentively agree.

Section 5(B) Construction Industry Force Account Council

Effective June 29, 2009, each signatory Individual Employer shall contribute two cents (\$.02) per hour to the Operating Engineers Business Development Trust Fund for participation in the Construction Industry Force Account Council coalition for each hour paid for or worked.

Such disputes will be settled by the Unions themselves, and if not settled then it shall be submitted to the International Presidents of the Unions involved in the dispute for determination and if not settled, the parties hereto agree that the dispute shall be submitted to the Impartial Jurisdictional Disputes Board for settlement in accordance with the plan adopted by the Building Trades Department, AFL-CIO. The Employer, the Individual Employer and the Union shall be and are bound by such determination and decision unless the other union shall refuse to abide by the determination and decision in which case the Union shall be and is authorized to proceed to enforce the decision by any lawful means in which case the work shall proceed as originally assigned by the Individual Employer until such decision is made.

Section 7 Working Rules

A. Work Day

Eight (8) consecutive hours starting between 5:00 a.m. and 10:00 a.m., excluding lunch period, except as provided under shift work, shall constitute a regular day's work at straight time rates. However, the Individual Employer may stagger individual employee's starting times within the established starting times of this Agreement at individual jobsites by mutual consent of a majority of the Employees and the Individual Employer providing the Local Union is notified in writing.

Each Employee shall have eight (8) consecutive hours of rest in any twenty-four (24) hour period. Such twenty-four (24) hours shall be computed from the start of the Employee's assigned shift. If an Employee is required by an Individual Employer to report to work without eight (8) consecutive hours of rest from the end of his regular or overtime shift, he shall be paid for all hours worked at the appropriate overtime rate until he has eight (8) consecutive hours of rest away from the job. Waiting time at the jobsite, when directed by the Individual Employer, without performance of work, shall not be considered a break within the meaning of this Section.

First (1st) Meal Period: No Employee shall be required to work continuously for more than five (5) hours from the beginning of the scheduled work shift without an opportunity to eat lunch. Each Employee covered by this Agreement shall be permitted to take not less than one-half (½) hour uninterrupted lunch period.

The first (1st) meal period must be completed by the Employee within five and one-half (5 ½) hours of the Employee's starting time for the workday. Meal periods, at the option of the Individual Employer may be staggered at any time after the first three (3) hours from the beginning of the scheduled work shift.

Second (2nd) Meal Period: No Employee shall be required to work continuously for more than ten (10) hours per day without the Individual Employer providing the Employee with an uninterrupted second (2nd) meal period of not less than thirty (30) minutes, provided that if the total hours worked by the Employee are no more than twelve (12) hours for the day.

The second (2nd) meal period may be staggered by the Individual Employer and must be completed by the Employee within ten and one-half (10 ½) hours of the Employee's starting time for the workday.

However, if an Employee works over ten (10) hours, the Individual Employer and Employee may mutually agree to waive the Employee's entitled second 30-minute meal period so long as the first meal period was taken and the Employee works not more than a total of twelve (12) hours.

The Individual Employer shall compensate such Employee ten dollars (\$10.00) for the purchase of dinner. There shall be no loss of wages during the evening meal period. In the event, for reasons beyond the control of the Individual Employer, it is not possible for the Employees to purchase an adequate meal, dinner may be provided by the Individual Employer.

Meal Period Penalty: Double time (2.0x) rate shall be paid to Employees required to work during or beyond any of their mandated meal periods. The double time (2.0x) rate shall be paid from the missed scheduled meal period start time until the Employee is provided the applicable uninterrupted one-half (½) meal period or the end of the shift, whichever occurs first.

Should any provision of California State Labor Code Section 512 be amended during the term of this Agreement, the parties agree to meet to address those changes in accordance with Section 14 (General Savings Clause) of this Agreement.

Any meal period disputes arising from these provisions shall be subject solely and exclusively to the grievance procedures set forth in this Agreement and must be brought to the Employer and the Individual Employer's attention, in writing, by the Union or Employee within ten (10) calendar days after the Individual Employer's regular pay day for any alleged violation of the meal period provisions. Decisions resolving disputes arising out of the grievance procedures shall be final and binding upon both parties.

Rest Periods: Employees shall be authorized and shall be permitted to take a total of ten (10) minutes during each four (4) hour segment of their assigned work shift for a rest period.

There shall be no formal organized rest periods during working hours and as far as practicable the break will be taken as near to the middle of each four (4) hour work segment as possible. Rest periods shall be scheduled in a manner so as not to interfere with workflow or

continuous operations and Individual Employers shall be able to coordinate the timing of each ten (10) minute rest break with their Employees to assure the continuity of work. Employees shall be required to remain in their respective work area, or to take their rest period in a specific area designated by the Individual Employer. The second rest period may be added to end of the meal period or workday when working conditions so dictate as determined by the Individual Employer. Employees who work more than ten (10) hours shall be authorized and permitted three ten (10) minute rest periods.

It is understood that the Employee will take his/her appropriate rest period unless the Individual Employer specifically directs the Employee not to take this rest break due to operational requirements. Employees are required to notify their supervisor whenever they are unable to take their rest periods.

Rest Period Penalty: If an Individual Employer fails to authorize and permit an Employee with a rest period as provided herein, the Employee shall be paid a penalty payment equal to one (1) hour at his/her applicable hourly wage rate excluding fringe benefits for all missed rest periods that day.

All disputes concerning rest periods are solely and exclusively subject to the grievance procedures set forth in this Agreement and must be brought to the attention of the Employer and Individual Employer, in writing, by the Union or Employee within ten (10) calendar days of the commission of the alleged violation. Under no circumstances shall an Individual Employer be liable for more than one (1) rest break penalty per Employee per work day. Any penalties paid under this section shall neither include any fringe benefits nor be used in calculating overtime hours.

It is agreed that the Individual Employer and the Employees hereby affected may mutually agree, in writing, upon different starting or quitting times for any of the above mentioned shift arrangements.

When, upon requirement of the awarding authority, the Individual Employer produces evidence in writing to the Union of a bona fide job requirement or, due to safety conditions or other requirements, such work may be performed on single or double shift basis and an Employee shall work eight (8) consecutive hours for which he shall receive eight (8) hours' straight time pay, Monday through Friday. Any Employee who reports to work on such special shift and for whom work is provided shall receive not less than eight (8) hours' straight time pay. The Individual Employer shall notify the Local Union having area jurisdiction before starting such special shift and shall confirm the notice, in writing, within twenty-four (24) hours following the start of the special shift. Provided, however, if, by direction of the Contracting Authority, the bid specifications require it, or congestive traffic conditions on Fridays are such that work conditions would be unsafe for Employees, or counter-productive to the performance of work, the special shift may commence on Sunday with double time (2x) to be paid from the start of the shift to 8:00 p.m. and the applicable straight-time rate paid from 8:00 p.m. until completion of the eight (8) hour special shift.

It is further agreed that in the event the special shift starts on Sunday, the sixth (6th) day of the work week shall be considered as the Employee's Saturday and the seventh (7th) day of the work week shall be considered the Employee's Sunday for purpose of computing overtime.

Apprenticeship	\$.47	*	*

Each Individual Employer covered by this Agreement shall contribute such sums, as set forth for each hour paid for or worked by Cement Masons' employed by such Individual Employer under this Agreement, to the Cement Masons Apprenticeship Fund and Training Fund and will be subject to, and entitled to the benefits of, all of the provisions of the Trust Agreement dated July 18, 1974, establishing the Cement Masons' Apprenticeship and Training Trust

Fund for Northern California, and any amendment or amendments thereto. The Union and the Employer agree that this plan is and has been a defined contribution plan.

The Cement Masons Apprenticeship program shall be administered by the Cement Masons' Joint Apprenticeship Committee. The Committee shall consist of an equal number of representatives appointed by the Union and the Employer. The Committee shall have the authority to hire a Director, promulgate regulations, dispense monies generated by the Apprenticeship Fund and have final authority over all aspects of the training program. Local Joint Apprenticeship Committees may be established by the Cement Masons' Joint Apprenticeship Committee. Additional provisions will be added to the new Apprenticeship Fund language to establish an escrow account for fund contributions. The escrow account is in accordance with the procedure used in 1958 to set up the vacation plan.

F. Supervisory Personnel

The Union and the Employer agree that the Individual Employers covered by this Master Agreement may cover owners, partners or supervisory personnel above the rank of foreman in the Cement Masons' Health and Welfare Trust Fund for Northern California, the Cement Masons' Pension Trust Fund for Northern California, the Cement Masons' Vacation/Holiday Trust Fund for Northern California and the Cement Masons' Apprenticeship and Training Trust Fund for Northern California, by paying contributions with respect to the work of such an individual into all of these Funds monthly, on the basis of one hundred sixty (160) hours, in accordance with the hourly rates set forth in this Master Agreement, regardless of the hours worked by any such individual in a month, provided that such individual is performing work within the forty-six (46) Northern California area and that, if not an owner, partner or supervisor would be working as a journeyman Cement Mason under the terms of this Agreement and provided further that the Individual Employer, having made one (1) payment with respect to the work of such an individual, shall continue to make such payments monthly so long as the individual continues to perform work for the Individual Employer within the forty-six (46) Counties area in the capacity of an owner, partner deemed an Employee covered by this Agreement solely for the purpose of participating in said Funds and shall have no rights or privileges under the Agreement as an Employee.

G. Audit

- (1) The Employer and the Individual Employer agree that upon a written request from the Union or the Employer to the Board of Directors of the Northern California Cement Masons' Funds Administration, Inc., the Board of Directors will direct an audit of the payroll account of any Individual Employer named in the request within ten (10) days. If the initial audit on the payroll account does not provide enough information to determine whether or not any delinquency exists, then the Board of Directors will direct a further audit of whatever records or accounts exist in order to determine the amount of the delinquency.
- (2) The Individual Employer who is found to be delinquent as a result of an audit will pay and satisfy such delinquency with accrued interest and in addition, pay liquidated damages. All delinquent contributions shall bear simple interest at the rate of one and one-half percent (1.5%) per month until receipt of payment. Subject to accounting verification, liquidated damages shall be assessed on delinquent contributions at a flat rate of one hundred fifty (\$150.00) dollars per month to reflect the internal administrative costs incurred by the trust administrators in monitoring and tracking such late contributions. The cost of any audit shall be borne by the Individual Employer if the delinquency disclosed by the audit is in excess of one

thousand (\$1,000.00) dollars and is not the result of a clerical error. When economic conditions warrant, the Trustees of the Trust Funds specified in this Agreement are authorized to amend the liquidated damages and interest provisions of this Agreement. Any adjustments implemented by the Trustees shall be reflective of the true increases in the administrative and legal costs associated with the recovery of delinquent Trust Fund contributions.

- (3) It is understood and agreed by the parties hereto that the foregoing provisions for liquidated damages with respect to audit shortages are independent of and in addition to any and all provisions for liquidated damages resulting from delinquencies contained in each of the Trust Agreements to which the Individual Employer is subject under this Agreement.

Section 9 General Conditions

A. Other Agreements or Conditions More Favorable

In the event that the District Council of Operative Plasterers' and Cement Masons' of Northern California which is signatory hereto, or any Local Union, enters into any other agreement with other Individual Employers or employer associations which shall have terms more favorable to such Individual Employers or employer associations and the members thereof than this Agreement, then such more favorable provisions shall immediately become a part of and apply to this Agreement.

The Union will promptly notify the Employer in writing of any amendment, modification, exception or addendum to this Agreement.

This section shall not be applicable to agreements between the Union and Individual Employers covering work in bona fide permanent yards or shops.

B. Constitution and Bylaws

The terms of this Agreement shall not be interpreted to abridge any of the constitution and bylaws of the Operative Plasterers' and Cement Masons' International Association or the constitution and bylaws of the Associated General Contractors of California, Inc.

C. Conflicting Bylaws to be Amended

Where the bylaws of a Local Union subject hereto conflict with the provisions of this Agreement, it is agreed that this Agreement shall supersede any such bylaws.

D. Contracting

No work will be let by piece, contract or lump sum direct with Journeyperson or Apprentices for labor services. Excessive amounts paid as hourly wages or under the guise of "travel pay" or "subsistence", where not required or permitted by this Agreement, shall be evidence of a violation of the Agreement.

E. Payment of Wages

All wages must be paid on the jobsite weekly. When men are laid off or discharged they must be paid wages due them at the time of layoff or discharge in accordance with the provisions of the Labor Code of California.

Each Individual Employer shall provide with each payroll check, an itemized check stub showing separately the date of issuance, the payroll period, straight time hours, overtime hours, the Individual Employer's name and home office location and all legally required deductions.

F. Elimination of Restrictions on Production

No rules, customs, or practices shall be permitted that limit production or increase the time required to do any work. There shall be no limitation or restriction of the use of machinery, tools or other labor-saving devices supplied by any Individual Employer.

G. Cooperation with Employer's Safety Measures

Local Unions shall cooperate (1) with the Individual Employer in the carrying out of all such Individual Employer's safety measures and practices for accident prevention and (2) Employees shall perform their duties in each operation in such a manner as to promote efficient operation of each particular duty and of any job as a whole. Each Individual Employer must post the name and address of his doctor and of the compensation insurance carrier on the jobsite.

Each Employee shall be required to participate in the Individual Employer's accident prevention program as required by CAL/OSHA.

H. Visits to Jobsite

A business agent or special representative shall have access to the project during working hours for the purpose of checking the manner in which the terms of this Agreement are being complied with.

He shall make an effort to advise the Individual Employer or his representative of his presence on the project and shall not stop or interfere with the work of any workmen without the permission of the Individual Employer or his representative. No business agent or special representative shall be discriminated against for performing his duties under this Agreement.

I. Steward

A Steward shall be a working journeyman Employee appointed by the Union who shall, in addition to his work as a journeyman, be permitted to perform during working hours such of his Union duties as cannot be performed at other times. The Union agrees that such duties shall be performed as expeditiously as possible and the Individual Employers agree that the Steward shall be allowed a reasonable amount of time for the performance of such duties. The Union shall notify the Individual Employer of the appointment of each Steward.

No Steward shall be discharged or laid off except for just cause as described in Section 3B (7). Violation of this Section by the Individual Employer and discharge of a Steward shall be subject to grievance pursuant to Section 5. A Steward shall carry on his union duties in such a manner so as not to interfere with the performance of the work.

If the Individual Employer has been notified in writing of the appointment of a Job Steward the appropriate Local Union shall be given a one (1) day notice before a Cement Masons' Steward is laid off, unless the Cement Masons' work is finished.

J. Protective Clothing

The Individual Employer shall furnish the necessary goggles, hard hats, or other protective clothing pertaining to work with caustic materials. Rainwear will be issued as necessary. Such equipment shall be furnished, as necessary, by the Individual Employer free of charge and returned by the Employee immediately upon completion of the work and in the same condition as received subject to reasonable wear and tear. Such equipment shall be sanitized before reissue. No additional rain gear or other protective clothing will be reissued to the Employee unless and before he returns all original items issued.

K. Parking

In the event parking facilities are not available within three (3) blocks of a jobsite, the Individual Employer will provide such facilities and the Individual Employer shall have the right to designate parking areas to be used. Where, because of congested parking conditions it is necessary to use public facilities, the Individual Employer shall reimburse the Employee for the cost of such parking upon being presented with a receipt or voucher certifying to the cost thereof; such reimbursement to be made on a weekly basis or at the conclusion of the project, whichever occurs earlier. The area covered by this Agreement shall be the City of Sacramento, City and County of San Francisco, and the Counties of Alameda, San Mateo, Marin, Contra Costa, and Santa Clara.

Section 10 Effect on Existing and Other Agreements

This Agreement between the Associated General Contractors of California, Inc. and the District Council of Plasterers' and Cement Masons' of Northern California shall supersede the 2009-2013 Master Labor Agreement between all parties, except for those Individual Employers who have given their power of attorney to the Employer for the 2009-2013 Agreement, and who have not given their power of attorney to the Employer for this Agreement.

When an Individual Employer works on a job that is covered by a project labor agreement to which the Union is signatory, the Individual Employer may work under the parties' Master Agreement for Northern California or the Project Agreement, whichever is more favorable to the Individual Employer.

Section 11(A) Employer's Membership

This Agreement is made for and on behalf of, and shall be binding upon, all persons, firms or corporations who at the time of execution of this Agreement have given or subsequently give bargaining authorization to the Employer as defined in Section 2A.

Section 11(B) Agreement Binding Upon Parties

This Agreement shall be binding upon the heirs, executors, administrators, successors, purchasers, and assigns of the parties hereto.

Section 12 Liability of the Parties

It is mutually understood and agreed that neither the Employer, any Individual Employer, the Union, nor any Local Union, shall be liable for damages caused by the acts or conduct of any individuals who are acting or conducting themselves in violation of the terms of this Agreement without authority of the respective party, provided that such action or conduct has not been specifically authorized, participated in, fermented or condoned by the Employer, the Individual Employer, the Union, or the Local Union, as the case may be.

In the event of any unauthorized violation of the terms of this Agreement, responsible and authorized representatives of the Union, Local Union, the Employer, or the Individual Employer, as the case may be, shall promptly take such affirmative action as is within their power to correct and terminate such violation for the purpose of bringing such unauthorized persons into compliance with the terms of this Agreement. Such individuals acting or conducting themselves in violation of the terms of this Agreement shall be subject to discipline up to and including discharge.

Section 13 Effect of Approval by International Union

It is agreed by and between the parties to this Agreement that the act of the Operative Plasterers' and Cement Masons' International Association (hereinafter called International Association) in approving this contract as to form and substance, as provided in the paragraph below, the International Association, its officers, and agents shall not in any manner thereby become a party to this Agreement, nor is there any duty, liability or obligation imposed upon the International Association, its officers or agents, respecting the terms and conditions of this contract in any manner whatsoever.

It is further agreed that the approval by the International Association as to form and substance is only for the purpose of indicating that the International Association certifies that the said contract is not in violation of the International Constitution and Bylaws and is approved as to form and substance for that purpose only and no other.

Section 14 General Savings Clause

- A. It is not the intent of either party hereto to violate any laws, rulings or regulations of any governmental authority or agency having jurisdiction of the subject matter of this Agreement, and the parties hereto agree that in the event that any provisions of this Agreement are finally held or determined to be illegal or void as being in contravention of any such laws, rulings or regulations, nevertheless, the remainder of the Agreement shall remain in full force and effect unless the parts so found to be void are wholly inseparable from the remaining portion of this Agreement. The clauses hereof relating to hiring, Section 3A and "No Cessation of Work", Section 4 are intended to be inseparable and mutually interdependent. Should either of such Sections be held or determined to be illegal or void for any reason, then both of said clauses shall forthwith become of no further force or effect and neither party shall by implication be bound thereby.

It is the intent of the parties to this Agreement that each and every; all and singular, of the provisions of this Agreement be fully in accordance with Federal and State Law. Its interpretation of each of the provisions of this Agreement is therefore intended to apply no broader than that permitted by law.

- B. The parties agree that if and when any provisions and/or language of this Agreement are held or determined to be illegal, invalid, superseded, in conflict, or voided by any laws, rulings or regulations of any Federal or State court, governmental authority or agency having

jurisdiction of the subject, the parties shall immediately meet and promptly enter into lawful renegotiations, within thirty (30) days of written notice by either party, concerning only the subject matter of said provision while the remainder of the Agreement shall remain in full force and effect.

Section 15 Travel Expense/Travel Centers

For jobs bid on or after June 15, 2005, the following provisions apply:

"Travel Expense" is defined as reimbursement for gas, oil, tires and auto maintenance and is not a wage or reimbursement for time spent in travel to or from the jobsite. No Employee shall be disciplined for refusing to travel in a company vehicle to or from the jobsite.

"Traveling Centers" are defined as those area dispatch offices that existed on June 28, 1999 in Exhibit A (1999 CM MLA Travel Centers).

Effective June 15, 2005, any job located fifty (50) miles or less from a Traveling Center shall not be subject to travel expense pay.

Each Employee covered by this Agreement who travels over fifty (50) miles to the place of reporting for work from his residence or the location of the Area Dispatch Office having jurisdiction over the project, whichever is closer, shall be paid at the Federal Reimbursement rate per mile for all miles traveled outside the fifty (50) road miles and return to the fifty (50) mile mark only.

It is understood that travel expenses shall be paid for each day a worker travels and is employed in work covered by this Agreement, but no later than once a week or upon termination whichever is sooner.

On Canal and Highway jobs the geographical midpoint of the job shall be considered as the reporting point for the purpose of travel expense pay. On all other jobsites, the project office shall be considered as the place of reporting for work for the purpose of travel expense pay.

The Individual Employer agrees that no project office will be established in an area closer than fifty (50) miles in an effort to defeat the travel expense procedure herein established.

Section 16 Expense Out of Town

The Individual Employer, when transporting an Employee from his home area dispatch office to localities outside the jurisdiction of the Employee's home area dispatch office, requiring the Employee to live away from home for "jobs of short duration" shall reimburse the Employee for board and room expenses, or may, at Individual Employer's option, pay the Employee per diem of sixty-five dollars (\$65.00) per day for each day he is required to spend the night and is available for work.

For the application of this Section only, "jobs of short duration" shall be interpreted to mean jobs of two (2) months or less. In the event the job or project is more than two (2) months in duration, the Individual Employer will have the option of: (1) continuing the Employee and reimbursing as outlined above, or (2) lay off the Employee without any restriction options of accepting layoff or transferring to the Local Area dispatch office and provide return travel expenses to his home base; or, the Employee will have the option of accepting layoff or transferring to the Local Area having jurisdiction over the job and receiving travel and/or subsistence applicable to the Employee member of the Local Area dispatch office.

Section 17 Geographic and Market Conditions

The parties to the Agreement recognize the necessity of assuring the competitive position of the parties within the industry during the term of this Agreement. Consistent with that recognition, Labor and Management will continually monitor the effectiveness of this Agreement relative to specific geographic or market areas and will endeavor, by mutual agreement, to initiate such modifications to the Agreement during its term as may be necessary to assure the work opportunities of the Employees and the competitive position of the Individual Employers.

Section 18 Effective Termination Date

This Agreement shall be effective as of June 16, 2013, and shall remain in effect until June 30, 2016 and shall be renewed from year to year thereafter unless either of the Collective Bargaining Representatives shall give written notice to the other of a desire to change at least sixty (60) days prior to the date of the expiration of this Agreement.

The parties agree further that this Agreement is closed on all items until June 30, 2016 and all of the terms and provisions of said Agreement shall be and continue in full force and effect without further opening or change until June 30, 2016.

The Union agrees that in the event that in 2016 or any succeeding year either party should exercise its right under the first paragraph of this section, the parties shall, within thirty (30) days after receipt of written notice, meet and submit the changes desired and for a period of thirty (30) days prior to June 30th of any such year, bargain with respect to those changes. If no Agreement has been entered into between the parties hereto by June 30th or any year in which such notice shall have been given, then this Agreement shall thereupon cease and terminate.

In all other respects, the terms of the Master Agreement remain unchanged.

IN WITNESS WHEREOF, the parties hereto have hereunto executed this Agreement as of the date hereof by their respective representative duly authorized to do so this 24th day of January, 2013.
